

# FIRST ANNOUNCEMENT OF THE 4<sup>th</sup> INTERNATIONAL AQUATIC BIOTECHNOLOGY SYMPOSIUM

**Date: September 9<sup>th</sup>-11<sup>th</sup> 2026**

**Venue: Centro di servizio di Ateneo per le Scienze e Tecnologie per la Vita (CESTEV), Naples**

After the success of previous editions, we are delighted to welcome you to the **4<sup>th</sup> International Aquatic Biotechnology Symposium**—an exceptional event set in Naples, where cutting-edge science, innovation, and sustainability converge.

**Symposium Focus:** In a time of growing global challenges, aquatic biotechnology offers innovative, nature-based solutions based on the remarkable diversity of aquatic life. The symposium will explore the full innovation pipeline—from **marine omics** and **bioprospecting** to **bioactive compound development**, **industrial production**, and **market application**.

## Highlights:

- **Keynote lectures** by international experts
- **Oral and poster presentations**
- **Networking opportunities** and **social events**
- **Fostering interdisciplinary dialogue**, **scientific knowledge** and **collaborations**

## Save the Date!

Stay tuned for details on **registration** and **abstract submissions**
